- Manage classroom behavior in a manner consistent with school policies and Christian values.
- Supervise students in various settings, including the classroom, recess, lunch, and transitions.
- Communicate effectively with students, faculty, and staff regarding classroom needs and student progress.
- Ensure the safety and well-being of students at all times.
- Report any incidents, concerns, or deviations from lesson plans to the school administrator.
- Be prepared to teach across multiple grade levels as needed.

Qualifications & Requirements:

- A personal relationship with Jesus Christ and a commitment to Christian education.
- Experience working with children in an educational setting (preferred).
- Strong classroom management skills and adaptability to different learning environments.
- Excellent communication and interpersonal skills.
- Ability to follow lesson plans and adjust as needed.
- Must pass a background check and meet all state and school requirements.

Benefits:

- Pay: \$10/hr
